Reminders

- Is your Employee ID included on the form? (Your Employee ID is printed at the top right of your biweekly earnings statement.)
- Is your total requested amount included on the form?
- Did you attach copies of your itemized documentation with your request?
- Did you sign and date the bottom of this form? If not, your request will be denied.
- Have you made copies of your request for your own personal records?

The following are examples of eligible supporting documentation that should be submitted with your request. A cancelled check is not adequate documentation.

Small receipts should be taped to a standard 8.5" x 11" sheet of paper and must be legible when scanned.

Part 2 - HEALTH CARE EXPENSES

Medical, Dental, Vision and Hearing Expenses

For expenses partially covered by your medical, dental or vision insurance plan, you must submit your Explanation of Benefits (EOB) statement with your completed claim form. If your EOB says that your dental or medical claim has been denied, and it does not describe the service or item in detail, also include an itemized statement from your dental or medical provider. This way, the FSA Customer Service Center knows the item or service was not denied by your insurance company because it was a cosmetic item or service (which cannot be paid through your FSA).

You may submit a Co-Pay receipt if this is your only expense.

For expenses not covered by your medical, dental or vision insurance plan, you must submit the following information:

- Name and Address of the provider
- Dates of Service
- Dollar amount charged
- Patient's Name
- Type of Service
- Write "Not Covered by Insurance" on the receipt

Prescription Drugs

The prescription name or NDC#, date the prescription was filled, patient name and out-of-pocket cost should be included on the receipt. This information can usually be found on the prescription tags provided by the pharmacy.

Over-the-Counter (OTC) Drugs

When submitting a receipt for an over-the-counter expense, circle RX/OTC on the claim form. A printed receipt must include the name of the over-the-counter item, the price and the date of purchase. Handwritten over-the-counter items names on register receipts are unacceptable. The name of the item(s) and price(s) must be circled on the receipt. Receipts should be taped to a standard 8.5" x 11" sheet of blank paper. Receipts must be legible when scanned.

Part 3 - DEPENDENT CARE EXPENSES

(1) You must complete the blocks under "Dependent Care Expenses." **(2)** You must attach a receipt that shows the date(s), type and cost of the service. **(3)** Your provider must complete the "Dependent Care Provider's Certification of Services Rendered" or all of the requested information, including the signature, must be included on the receipt that you attach.
